Your Journey from Beginner to Professional Graphic Designer

VALAVAN ACADEMY

90 DAYS GRAPHIC DESIGN MASTERY

Every Skill Connected To Become a Graphic Design Master

#90-Days Graphic Design Mastery

VALAVAN ACADEMY

The **90 Days Graphic Design Mastery Program** is a structured professional training program designed to help learners build practical design skills and develop three powerful outcomes: a professional portfolio, freelance opportunities, and a printing business.

This program provides step-by-step guidance on:

- Graphic design fundamentals and creative principles
- Photoshop, Illustrator, InDesign, CorelDRAW, and Canva
- Social media creatives, posters, and advertisements
- Branding, typography, and color theory
- Real-time projects and practical assignments
- Professional portfolio creation and presentation
- Freelancing, client acquisition, and pricing strategies
- Printing business setup and workflow management

By the end of the program, participants gain the practical skills, creative confidence, and industry knowledge required to build a professional portfolio, start freelancing, and explore printing business opportunities.

#90-Days Graphic Design Mastery

VALAVAN ACADEMY

TOOLS COVERED

Transform your creative ideas into impactful designs using **Adobe Photoshop, Adobe Illustrator, Adobe InDesign, CorelDRAW, and Canva.** Enhance your creativity with **ChatGPT, Google Gemini, Adobe Firefly and Midjourney** to create stunning posters, professional advertisements, unique brand identities, eye-catching social media creatives, and print-ready designs. Master these powerful design and AI tools in 90 days, build a professional portfolio, and unlock opportunities in freelancing and the printing business with Valavan Academy.
